

# Offley Newsletter 21

27<sup>th</sup> February 2026

Welcome back after the half term break! It has been so lovely hearing about all the wonderful adventures and special moments the children have enjoyed with their families. With the weather getting warmer and spring nearly here, there is a real sense of excitement in the air. The children are delighted to be spending more time outside, making the most of the brighter days and fresh air. At the start of the week in assembly, we spoke about having high expectations and what this looks like at Offley, from taking pride in our work to showing kindness and respect to one another. It has been a very positive start to the week and we are looking forward to all that this half term will bring.
